

July 9–13

Hyatt Regency Minneapolis
Minneapolis, Minnesota USA

**Undergraduate Projects
in
Applied and Computational Mathematics**

**SIAM AN12, July 9 – 13, 2012
Minneapolis, MN**

As part of the Student Days activities at the SIAM Annual Meeting in Minneapolis, <http://www.siam.org/meetings/an12/> it is again planned to have one, or more, sessions devoted to undergraduate research projects in Applied & Computational Mathematics.

This builds on successful sessions at previous SIAM Annual and CS&E Meetings. This event has become a regular feature of SIAM's student activities at meetings.

Interested students are invited to submit the following by e-mail in plain text format:

Title,
Name(s) of student(s), with affiliation
Name(s) of Advisor(s), with affiliation, and a
Brief abstract

to the organizer:

Peter Turner, pturner@clarkson.edu

Deadline for submission: As soon as possible or by February 17, 2012 at the latest.
Details must be finalized in **February** to be published in the program.

The number of presentation slots is limited, so early submission is advised.
