

## **The title of my talk**

In this talk we present new results on ... Please, use only plain  $\text{\LaTeX}$  commands (try not to use additional packages). Do not include bibliography environment. If you need to include any reference, please write it in the text. Do not include graphics. When ready compile the file `root.tex`, check the result and obtain the file `root.pdf`. Then, change the name of the file `SampleSubmission.tex` to `familyname-firstname.tex` and change the name of the file `root.pdf` to `familyname-firstname.pdf`.

Please:

- a) In the case of abstract for a Contributed Talk, send these two files to `siamla2012@imm.upv.es` indicating in the subject: SIAM/LA abstract proposal.
- b) In the case of abstract for a minisymposium, send these two files to the minisymposium organizer(s).
