

## SIAM Unwrapped – Annual Meeting Edition

### JOIN US IN DENVER!

This special issue of *Unwrapped* provides quick links to some of the great programs at the [2009 SIAM Annual Meeting](#), which will take place July 6-10, 2009, in Denver, Colorado, at the Sheraton Denver Hotel. The SIAM Annual Meeting is being held jointly with the [SIAM Conference on Control and its Applications](#). [Register](#) by June 8 to take advantage of pre-registration rates. For additional registration details and a list of fees please visit the [Registration Information](#) page.

### PROGRAM AND AWARDS

- [Invited Presentations](#) – Come see leading researchers and practitioners in applied mathematics and computational science.
- [Program Schedule](#) – Make the most of your time with the at-a-glance meeting schedule PDF, the complete program listing, and speaker index.
- [Prizes and Awards Luncheon](#) – On Tuesday, July 7, 2009, from 12:30 - 2:30 p.m., SIAM will honor the achievements of applied mathematicians and computational scientists. The inaugural class of SIAM Fellows will be recognized at this year's luncheon.

### SPECIAL EVENTS

- [I.E. Block Community Lecture](#) – Andrew W. Lo, Massachusetts Institute of Technology will present "Kill All The Quants?": Model vs. Mania in the Current Financial Crisis.
- [Exhibits](#) – Visit the exhibit hall to see the latest books and software from the companies who support your applied and computational community. You may walk out with some cool prizes and give-aways too!
- [Student Days](#) – Features activities designed just for students.
- [Career Fair](#) – Don't miss this great networking event for job seekers and employers on Monday, July 6, 2009, from 7:15 – 9:15 pm.
- [Workshop Celebrating Diversity](#) – This event provides a forum for scientific interaction among a truly diverse group of participants.
