

Thank You Email

Subject Line: Great News!

Dear [Colleague's Name],

SIAM headquarters just informed me that your application and dues have arrived.

Let me be the first to welcome you as a new member!

I think you are going to find that SIAM is a special community dedicated to creating strong interactions among professionals and researchers in applied mathematics and computational sciences. This is accomplished mainly through its membership activities, journals, books, and conferences.

I'm looking forward to sharing useful experiences with you at some of the meetings and other educational programs and by discussing the information and news we get from SIAM.

Thank you for connecting with me and our SIAM colleagues.

Best regards,

[Your Name]

P.S. Let me know if you win the drawing. Good luck!
